

Today's Scripture

"I have heard a report from the Lord..."

(Jeremiah 49:14, AMP)

Whose Report Will You Believe?

Every day, we get "reports" from the news, our experiences, our friends and family, and many other sources. We also get reports from the Word of God which oftentimes contradicts what others are saying. That's when we have a choice: do we believe what we hear in the natural, or do we believe the report of the Lord?

Remember, we serve a supernatural God! Just because we don't see a way doesn't mean that He doesn't have a way. God can bring one opportunity across your path that will thrust you to a new level. He has explosive blessings that can blast you out of debt and into abundance. "Well, I don't think I'll ever get well. You should see what the medical report says about me." No, that may be true according to medical science, but we have another report and it says, "You will live and not die. God is restoring health unto you." With men it may be impossible, but with God all things are possible.

Choose today to believe the report of the Lord. Stand strong no matter what is going on around you knowing that He is leading you into victory in every area of your life!

A Prayer for Today

"Father, I choose to believe Your Word above all else. I know that You are working behind the scenes on my behalf, and You will cause me to triumph. Help me to tune out the negative voices of the world so that I can focus on Your goodness all the days of my life in Jesus' name.
